

CYCLE B

Class 2 Y1&2		Autumn	Spring	Summer
CURRICULUM INTENT - SPIRITUALITY, ENVIRONMENT, POSSIBILITY & INITIATIVE				
		Black History Month - October Enterprise week for Christmas Fayre	Book Week - World Book Day STEM week	Arts week Multicultural week
RE		<ul style="list-style-type: none"> • Branch 1 - Creation and Covenant • Branch 2 - Prophecy and Promise 	<ul style="list-style-type: none"> • Branch 3 - Galilee to Jerusalem • Branch 4 - Desert to Garden 	<ul style="list-style-type: none"> • Branch 5 - To the ends of the Earth • Branch 6 - Dialogue and Encounter
English	Texts	<i>Beegu</i> <i>The Proper Way to Meet a Hedgehog</i> - <i>The Jolly Postman</i>	<i>The Dragon Machine</i> <i>The Adventures of the Egg Box Dragon</i> <i>The Last Wolf</i>	<i>The Fox & The Star</i> <i>Hummingbird</i> <i>The Secret of Black Rock</i> <i>The Hodgehog</i>
	Phonics/Spelling	Y1 - Little Wandle Revised Letters and Sounds (Phase 4 recap and Phase 5) Y2 - Little Wandle Spelling Program To spell Y1&2 common exception words		
	Reading	Y1 Little Wandle Reading Groups: 1st Read - Decoding 2nd Read - Prosody/fluency 3rd Read - Comprehension To read Y1&2 common exception words		Y2 Little Wandle Reading Groups: Little Wandle Fluency chapter books - building prosody and comprehension into reading.
Maths	Number	Counting to and across 100 from any number Skip counting in 2, 3 and 5 from any number backwards and forwards Identify 1 more or 1 less than any number Place value of 2 digit numbers Compare and order numbers using equality and inequality symbols Odd and even numbers Addition and subtraction	Counting to and across 100 from any number. Recognising bonds to 10 and 20 Using those bonds to add and subtract beginning to cross 10. Estimation Recognising different representations of numbers Addition and subtraction with increasingly harder numbers including three one digit numbers.	Counting to and across 100 from any number. Addition and subtraction with increasingly harder numbers including three one digit numbers. Worded problems Understand commutative and associative laws of addition Using the inverse to check answers Multiplication and division showing that

CYCLE B

		Find half, quarter, third, $\frac{2}{4}$ and $\frac{3}{4}$ of shapes and amount - recognising simple equivalency	Worded problems Understand commutative and associative laws of addition Multiplication and division Recognising and finding simple equivalence between fractions	multiplication is also commutative and that division is not. Problem solving with multiplication and division Revisit fractions Missing number problems with addition and subtraction		
	Measurement	Use the language of comparison appropriate for measurement. Use rulers, capacity scales, weight scales and temperature scales Days of the week Months of the year Time to O'clock and half-past Number of minutes in an hour and hours in the day	Compare and order measurements Money Time to quarter to and quarter past Position and movement including left, right, up, down, clockwise, anti-clockwise, rotation, quarter turn (knowing this as right angle Y2), half turn, full turn Scaling up or down through practical activities like cooking or art.	Time to five minute intervals Solve simple problems involving measurements, money and time Compare and sequence intervals of time		
	Shape	Name 2_d and 3-d shapes including irregular shapes Identify and name the properties of these shapes Lines of symmetry	Identify faces, vertices and edges on 3-D shapes Recognise and name the 2-D shapes on the faces Lines of symmetry	Compare and sort shapes seen on everyday objects Recognise and name irregular shapes Lines of symmetry		
	Statistics	Simple tally and bar charts linked to pupil's interests eg: favourite food.	Ask and answer simple questions about a bar chart by counting and sorting. Draw simple conclusions from the data.	Ask and answer questions requiring totalling and comparing.		
	Times Tables	Count in 2, 5, 10	Count in 2, 3, 5 and 10	Count in 2, 3, 5 and 10		
Science	Use of Everyday Materials	Seasonal Changes	Use of Everyday Materials	Seasonal Changes	Use of Everyday Materials	Seasonal Changes
	Animals, including humans	Plants	Animals, including humans	Plants	Animals, including humans	Plants

CYCLE B

History	Guy Fawkes			Rosa Parks	History of Toys
Geography		Arctic and Antarctic	Local History		
Design Technology	Constructing a Windmill		Cooking		Textiles: Puppets
Art & Design	Drawing: Make Your Mark		Painting & Mixed Media: Colour Splash		Sculpture & 3D: Paper Play
Music	Pulse and Rhythm	Musical Vocabulary	Timbre and rhythmic patterns		Pitch and Tempo
Computing	Improving mouse skills	Algorithms	Digital imagery		Bee-Bot / Virtual Bee-Bot Online Safety
PE	Real PE - Cognitive and Creative Get Set - Sending/Receiving Real Gym		Real PE - Social and Physical Get Set - Target Games and Ball Skills		Real PE Health/Fitness and Personal Get Set - Athletics and Team Games
MFL (non-statutory)	Colours and numbers, Nursery rhymes, Superheroes, Seasons, Minibeasts, shapes. Greetings, days of the week & weather.
