SCHOOL UNIFORM POLICY

At St Edmund's, we are proud of our school uniform and often receive comments when out in the community or on a school trip on how smart we look. It is important that St Edmund's is well thought of locally and that the pupils are recognised as excellent ambassadors for our schools.

Reasonable adjustments for children with additional needs can be made. Please discuss these with your child's class teacher in the first instance.

Parents are consulted every five years for their views on our uniform and after consultation between parents, staff, and governors, the general view was for no change to our current uniform.

Our uniform is available at Screens in Lowestoft. You can visit their website:

<https://www.screensprinting.co.uk/>

Or phone them on: 01502 581010

Parents are able to purchase non-branded uniform from any high street shop. We also have extensive stocks of second hand uniform within school which parents are welcome to look through and take away free of charge. Please ask the school office and we can check what sizes we have available.
